EDUCATION SUNDAY: (2nd Collection) - The Catholic Education Service (CES) acts on behalf of the Bishops Conference to support Catholic education. They have a strong and positive working relationship with the British and the Welsh Governments, sharing the aims of high academic standards for all and increased parental choice. Catholic schools make up 10% of the national total of maintained schools. There are over 2000 Catholic schools, academies and colleges in England educating over 800,000 pupils. The Catholic Church and the Church of England together provide one-third of all the schools in the country. The CES is the chief negotiating and advisory body on matters affecting all aspects of Catholic education, and it provides financial assistance for school transport in rural areas. This is an annual appeal. You have always been so very supportive towards this appeal. Many thanks in advance.
