WORLD MISSION SUNDAY: Next Sunday is World Mission Sunday. (MISSIO is the Churches official organ for the support of the Foreign Missions. This collection taken on World Mission Sunday goes in its entirety to support churches, hospitals, schools and vocations in countries where the Church is new, young or poor. Missio works through local bishops, churches and missionary congregations to ensure that resources are distributed equitably and justly – on the basis of need. The money goes directly from England and Wales to the bishops in the mission territories – local church directly helping local church.

CAFOD -What is Cafod? CAFOD is the official international development and relief agency of the Catholic Church in England and Wales, and is part of the Caritas International Federation, a worldwide network of Catholic development and relief organisations. It builds long-term partnerships with local organisations in more than 50 countries across Africa, Asia and Latin America, supporting them to build a better world for people living in poverty, whatever their race, nationality or religion. It focuses on creating sustainable livelihoods, combating HIV and AIDS, and peace-building. In emergencies it provides immediate relief and supports long-term programmes to rebuild peoples lives. Cafod also works to persuade governments and institutions, in the UK and overseas to change unjust policies that trap people in poverty
