**PRAYER MEETING:** We are looking forward to start a prayer meeting on the lines of study, reflection and prayer. The area of silent prayer will be explored. At this stage I want to know how many are interested to explore the contemplative life of prayer. We had such meetings in the past. They were well supported. We hope to revive this form of prayer in the parish. I will be happy to hear from anyone who is interested.

**EXPLORATION OF THE FAITH:** At present we have a number of people who are on a journey in the exploration of the faith. It is an opportunity to explore the teaching of Christ and his Church. Some seek the knowledge and others might seek both knowledge and advance. when we have a small number of people seeking this kind of exploration a date and time will be set.
