SCHOOL MASS: The Sunday liturgy is an expression of Church unity made up of the parish family. A Parish family has a number of strands in it. One vital strand is the School Community which makes part of the whole. In our Parish the School community is a special strand which brings with it a whole dynamic and energy of its own. In our Parish this particular strand enhance and enriches the community in various ways. It promotes and sustains the faith for a considerable section of the Parish consolidating the very foundations of a living community that lives by the spirit of the gospel. Every active member of the parish contributes towards the wholeness of a united Community of faith. It will be a wonderful thing to see a strong participation of the whole school community of teachers, members of staff, parents and children coming together sharing the Word of God and participating in the Sacrifice of the Mass which is the apex of our Christian Catholic worship.

CONFIRMATION: A meeting has been arranged for the would be candidates for Confirmation on Thursday 16th January 2020 at 7.00pm at the Presbytery. Every effort has been made to notify those who registered. There is still time for anyone who wish to register.

Engagement Service: The Diocesan Policy on marriage would like the couple to give at least six months notice of their intended marriage. The Parish is holding an Engagement Service for those couples who intend to marry during the course of this year 2020. Those who have already booked a date for their wedding are being notified of the engagement service date which will take place on Sunday 26th January 2020 at the 11am Mass.

Week of Prayer for Christian Unity: The Week of Christian Unity runs from Saturday 18th to the 25th January 2020. This week is specifically dedicated to unity among Christians. This call is being made in the name of Christ who prayed "that they all may be one".
