SUMMER HOLIDAYS: Many of us are looking forward to a Summer break. I am sure this is well deserved, not least our school children and all the staff. This week the Summer Term will come to an end and with it we enter the Summer Holiday period. I therefore wish all the Parish school Staff of St Anselm's a well earned rest, especially the head teacher and the teaching staff including the class assistants. They have done a remarkable job in spite of all the odds. As key workers they have done a remarkable job. I ask parents to join me in thanking all the staff for their efforts in spite of all the difficulties and challenges they faced. God favours the brave.

TWO STATEMENTS FROM THE CATHOLIC BISHOPS CONFERENCE OF ENGLAND & WALES:

The bishops of England & Wales have issued two statements, one regarding the obligation of Sunday Mass and the second statement provides a **COVID-19 ROUTE MAP: STEP 4 Guidance**. Both statements are attached to the newsletter.

CONFIRMATION: For the Summer Term the Confirmation Classes have come to an end. The classes will resume on Friday 3rd September at the usual times.

PARISH CENSUS FORMS: I would like to thank Sarah Page for organizing the Parish Census. A fair amount of progress has been made. The success of this undertaking depends on all of us, especially all parishioners who cooperate in filling in the CENSUS FORM and returning it to the Presbytery or else filling the form online. I would like to thank everyone who managed to fill in the Census Form.

CHURCH CLEANING: I am hoping that by the end of this month we shall have a complete list of teams and individuals who will form the Parish cleaning party. May I thank those who have already given their names as volunteers.

THE PRESENTATION BROTHERS: The Presentation Brothers have developed this site where our Parish Church building stands. They set up the St Vincent's School where trades were taught for well over a hundred years. The brothers have left England all together only a week ago. Brother Tom was the last person to leave for Ireland. An end of an era the Church in England and our diocese also owe a great debt to the congregation. Please keep them in your prayers.

PARISH TOILET FACILITIES: As from this week the toilet facility will be in use. We want everyone who use this facility to ensure to follow the instructions given as far as regards sanitation. Many thanks for doing so.
