PERU PROJECT: The Peru Project is twenty years old. It was the Parish Millennium Project. It is still going. Quite a remarkable feat for the Parish. Of late we have lost that momentum, still there are individual parishioners who continue to trust in providence. Hopefully, things will pick up once we are over the pandemic. Only this week I received a cheque. This came as a result of a funeral held recently where the family requested of the mourners to send a donation to Peru in place of flowers.

WEEK of CHRISTIAN UNITY: Monday 18th January is the beginning of a week of prayer for Christian Unity. Following the 2nd Vatican Council there was a greater fervor towards Christian Unity. This approach brought many Christians together especially where the life of prayer was concerned. It helps to do away with a great deal of prejudice amongst the various Christian denominations. The call of the Church was that of Jesus, "That they all may be one". Prayer is at the heart of unity. I encourage everyone to pray during these eight days in line with Jesus's request.

Daily Exposition & Adoration: For the last twenty nine years with the exception of the first lockdown the Exposition of the Blessed Sacrament and Adoration was held from Monday to Friday at 8.30am-9.00am. This is a time of silent prayer. It is open to all parishioners. I would like to continue to encourage this practice. Here we find intimate moments with God
