AFRICA DAY: The African Caribbean Catholic Association is holding an African Day on Saturday the 20th July 2025. The day starts with mass at 10:30 am with a guest priest as the main celebrant. A leaflet as attached to the newsletter with an open invitation is included.

ST. ANSELM'S SCHOOL: I would like to take this opportunity to congratulate the year six pupils for their production of 'The Lion King'. It was a performance of great excellence. It is a great credit to all staff who put so much effort and to achieve so much. The pupils have shown great confidence throughout the whole performance which lasted over an hour and a quarter to be repeated the next day. It is the holistic approach provided by the school that makes the school very special. This is credit to the head and the school staff and the positive response of the pupils. May the school continue to grow in stature to serve God, the pupils, the school community and the parish.
