They have a strong and positive working relationship with the British and Welsh Governments', sharing the aims of high academic standards for all and increased parental choice. Catholic schools make up 10% of the national total of maintained schools. There are over 2000 Catholic schools, academies and colleges in England educating over 800,000 pupils. The Catholic Church and the Church of England together provide one-third of all the schools in the country. FIRST HOLY COMMUNION 2021: Due to the pandemic the first Holy Communion programme had to be interrupted. I can report that all children who were due to make their first Holy Communion in the year 2020 has now been completed. All 57 children have received their first Eucharist. It was very much a family affair. The service was done individually.

We are now preparing those children who were due to receive the first Eucharist this year 2021. The date for the First Holy Communion for this group is Saturday 27th November 2021. A parents meeting will take place on Monday 20th September at 7.30pm at the Conference Centre. The date for the children making their First Holy Communion in 2022 is Saturday 1st June 2022.
